19.03. Rochester Airport Commission. Subdivision 1. There is hereby established a Rochester Airport Commission. The Committee shall consist of the following six members: Mayor, Councilmember-at-Large, City Administrator, Airport Manager, a representative from Public Works, and a representative from the airport management company. The Mayor shall act as the Commission Chair. The Commission shall appoint a Vice Chair.

Subd. 2. The Commission's purpose is to review all matters and issues involving the Rochester International Airport, and to make recommendations on those matters and issues as the Commission sees fit. The Commission has no authority to make final decisions on any matter. Instead, the Commission acts in an advisory capacity to the Common Council and all other city officials regarding the Rochester International Airport.

Subd. 3. The Commission may adopt its own set of rules to govern its meetings and procedures. The rules must be consistent with the Home Rule Charter and this Code.

Subd. 4. Each Commission member, including the Chair and Vice Chair, will have one vote on all matters acted upon by the Commission.

19.04. Rochester Amateur Sports Commission. Subdivision 1. The Rochester Amateur Sports Commission ("RASC") is a private, non-profit entity. It is not a public or City of Rochester entity. The RASC serves the City by encouraging, facilitating, and conducting amateur sports activities within the City. These activities serve the public's health, welfare, and safety by providing sports activities to City residents and visitors, and by providing economic benefits to City businesses and employees.

Subd. 2. The RASC seeks community leaders to serve on its board of directors so that the public's interests are always represented and considered. If the RASC seeks the appointment of a member of the City Common Council to serve on that board, such a request should be made to the Council which, in turn, will make the appointment on behalf of the City. The Council hereby declares that it is in the City of Rochester's interests to have a sitting councilmember serve as a member of the RASC board of directors. (4097, 1/7/13)
